COMPANY DESCRIPTION

BRS Ventures Ltd. (the "Company") was incorporated pursuant to the provisions of the Business Corporations Act (British Columbia) on June 8, 2007. The Company is classified as a capital pool company ("CPC") as defined by TSX Venture Exchange Policy 2.4 ("Policy 2.4"). The Company's objective is to complete a Qualifying Transaction ("QT") as defined under Policy 2.4 by identifying and evaluating potential business acquisitions and to subsequently negotiate acquisition or participation agreements subject to regulatory and shareholder approvals. The Company is currently trading on the NEX board of the TSX Venture Exchange (the "Exchange") under the trading symbol "BRV.H".

OVERALL PERFORMANCE

On October 7, 2009, the Company entered into an agreement to acquire all the assets of Quantum United Technologies Inc. (QTI). A draft Information Circular, describing the terms and process that constituted the Qualifying Transaction, was presented to the Exchange for approval. The Exchange subsequently decided not to approve the Qualifying Transaction for reasons of the technology being too early in its development. This delay exceeded the time deadline for a CPC to complete a Qualifying Transaction. As a result, the Company had the option to move to the NEX board ("NEX") subject to shareholders' approval. At the AGM on July 20, 2010 the Company received shareholder approval to move to the NEX. The Company's listing was transferred to the NEX on July 28, 2010. On August 16, 2010 the Company terminated its agreement with QTI and wrote-off a \$60,000 loan to QTI.

On October 18, 2010 the Company signed a term sheet for a QT with Landmaster Partners, Inc (LPI). As part of that term sheet LPI provided the Company a US\$25,000 (\$25,070) non-refundable deposit. On July 21, 2011, the Company announced that it would not be proceeding with a transaction with LPI and the funds held on deposit were recorded as a gain on write-off of non-refundable deposit during the year ended October 31, 2011.

Any proposed qualifying transaction is still subject to approval by the Exchange.

Effective November 2, 2011, the Company consolidated its common shares on the basis of one (1) new common share for every three (3) old common shares issued and outstanding at that time. All references to share and per share amounts have been retroactively restated to reflect the share consolidation.

RESULTS OF OPERATIONS*Six months ended April 30, 2012*

The Company recorded a net loss of \$28,420 (\$0.00 per share) for the six months ended April 30, 2012 as compared to a net loss of \$45,175 (\$0.02 per share) for the six months ended April 30, 2011.

The decrease in net loss recorded in the six months ended April 30, 2012 as compared to the six months ended April 30, 2011 is the net result of changes to a number of expenses. Of note are the following items:

- Accounting fees (\$7,601 vs. \$4,098) increased due to additional time spent on the restructuring of the Company.
- Legal fees (\$10,244 vs. \$34,568) decreased due to less legal activity during the period. Legal fees during the six months ended April 30, 2011 related to regulatory filings and a proposed Qualifying Transaction.
- Listing fees (\$11,711 vs. \$6,509) increased due to additional fees charged by the new transfer agent.
- Gain on forgiveness of debt (\$1,458 vs. \$nil) is the result of the settlement of outstanding payables.

Three months ended April 30, 2012

The Company recorded a net loss of \$8,901 (\$0.00 per share) for the three months ended April 30, 2012 as compared to a net loss of \$26,273 (\$0.01 per share) for the three months ended April 30, 2011. The decrease in the net loss is due primarily to the decrease in legal fees from \$18,208 during the three months ended April 30, 2011 to \$1,199 during the three months ended April 30, 2012.

FINANCIAL INSTRUMENTS

Classification of Financial Instruments
